Radical Productivity: The Activators Managers and Leaders Need to Work, Lead, and Innovate Better!

Learn the activators for “radical productivity.” Discover exactly what to do and what not to do to boost your own performance, staff performance, and shape the responsive work culture you want. You’ll grow your self-awareness using tools you haven’t used before. You’ll learn techniques to ramp up efficiency making the most of your brainpower, getting far more and better productivity than you have in the past without burning yourself out. Uncover techniques to gain back 20% of unproductive time in your own workweek and your staffs’ workweek as well.
